

Website privacy policy <https://madeinearth.online>

This privacy policy applies to all personal data that the user provides to Roomy inc. registration and their stay on the madeinearth.online

The company's administration and its employees make every effort (within reasonable limits) to ensure the safety of personal data received from the user. For this purpose, the following actions are taken:

- personal information about the client is collected to the minimum extent necessary for specific stated purposes;
- personal data is used exclusively in the direction that was declared when it was collected;
- the provided data is protected from encroachments of third parties, and all operations with the received information are performed only with the permission of their owner;
- personal data may be provided to third parties in cases stipulated by the legislation of the country or other agreement between the user and Roomy inc.

Our company can obtain personal data of the user in the following cases:

- the client passes standard registration, which is mandatory for using the madeinearth.online. When filling out the standard form, you will need to enter the following information: the client's name, contact details (real phone number, email address, name of their company, type of activity, contact details of the legal entity);
- the client accepts the terms of the User agreement, while providing all the necessary data, gives his consent to their processing and use by our company for the specified purposes. The user has the right to withdraw his consent to the use of personal data by our company at any time. To do this, a standard written request is made.

During the user's use of the information provided on the madeinearth.online, Roomy inc. automatically receives a number of client's personal data (IP address, browser information, platform type, provider, country, login pages/when the user visited the site, the date/time of the site visit, as well as the address of the requested pages).

After the customer has provided their personal data to our company, they will receive a message about successful registration.

Компания Roomy inc. does not perform special verification of personal information received from customers (there are exceptions, they are stipulated in the user agreement). We hope that our users are conscientious citizens and provide only truthful, relevant data for this time period. Responsibility for providing deliberately false information is described in the User agreement.

The personal information we collect may be used by our company for the following purposes:

- to improve the service and quality of the services provided;
- to provide part of the user's personal information to banking structures when performing payment operations, transferring funds to the payment system used by the client (with his / her personal permission);
- for transfer to bailiffs or law enforcement agencies at their request, only if they are legal and have a legal character.

Registered users of the madeinearth.online, by accepting the terms of the User agreement, agree to receive promotional products and services offered by Roomy inc. If necessary, the client can revoke this consent at any time, which requires issuing a standard sample request in writing.

Компания Roomy inc. undertakes not to transfer or sell the personal data of its clients, except in cases described in the legislation of the country in which the client operates.

The site may contain active links to other resources available on the Internet. The administration of our resource is not responsible for the information policy of these portals. This privacy policy applies only to the madeinearth.online

The company actively protects its clients ' accounts from unauthorized access and identity theft by hackers.

Administration of the [madeinearth .online](http://madeinearth.online) can make changes to the submitted document without additional notification. The new rules will take effect immediately after they are published on the site. Clients must track these changes themselves.
